### What Goes In Your Recycling Cart?

**Curbside Recycling Collection Includes:**

- PLASTIC, METALS, & GLASS
  - Items that are left behind in your cart indicate that they were not accepted in our recycling program.

#### PLASTIC

- All food, food scraps, food-related paper (paper towel, paper napkins, tissue), and paper that is food-soiled.

- Paper absorb moisture and odor, plus it’s compostable.

- Make sure wheels are next to the curb or in the gutter and the cart is at least four feet from other objects or carts.

- Layer/cover food scraps with yard trimmings.

- Grass clippings, flowers, leaves, weeds, brush, prunings, tree trimmings, and branches must be cut into no more than 4 inches thick.

- Compostable plastics (e.g., Chinet, PLA, Bagasse, Chino, Raptic, and Soi) are compostable.

- CFL lightbulbs, batteries or hazardous waste.

- campuses, parks, church, and religious organizations.

- Recycling Drop Off Centers at 701 Serra Street.

- Landfilled garbage is collected once per week from wherever you store.

- Peninsula Sanitary Service offers dumpster and rolloff box service. These bins are also known as drop boxes or debris boxes. These are outside dimensions and do not reflect carry capacity.

- To encourage recycling, we will give a discount on the debris box if you source separate out wood, metal, cardboard, or yard trimmings.

- We can give a special quote for clean up and removal of debris. In addition, we also have an annual fall and spring clean-up service.

- We only charge each time you have the box emptied. We can only fill it to water level full and we cannot accept any hazardous waste.

- Choose one or the other.**

- Occasional Overflow?

- If you have extra material, please place it in a paper bag next to your recycling cart for collection.
